RUOQI WANG

Lanzhou, Gansu, China · ruoqiw2026@outlook.com

SUMMARY

I am a graduate student majoring in digital education at Xi'an Jiaotong – Liverpool University.

EXPERIENCE

Volunteer Behavior Support Feb 2025 – May 2026

ALSO·IN Applied Behavior Intervention Center · Xi'an, China

- Supported therapists using Applied Behavior Analysis (ABA) to work with autistic children — observing and documenting behavior cues during individualized learning and play interventions.
- Prepared visual aids, reinforcement tools, and sensory-regulation materials; led classroom routines including social practice and visual-schedule guidance.
- Applied insights from a DSM-5 clinical assessment project to better understand behavior and tailor individualized support strategies.

Full-time English Teacher Feb 2024 – Jan 2025

Jiuzhou Primary School · Lanzhou, China

- Designed and delivered structured English lesson plans tailored to local students' language levels and learning needs.
- Built engaging classroom activities that fostered interest and confidence in English learning, emphasizing interest-driven study and fair treatment of every student.
- Created a supportive classroom environment and continuously refined teaching through reflective practice.

High School English Teacher (Internship & Outreach) Mar 2022 – Jun 2022

Shanshan No. 1 Middle School · Turpan, Xinjiang, China

- Partnered with the host school to support classroom teaching and campus activities as part of a rural outreach internship program.
- Proactively sought feedback from mentoring teachers and incorporated it into lesson practice.
- Applied diverse teaching strategies with a focus on balancing explanation and practice. Earned consistent praise from students and colleagues for fairness, patience, and care.
- Awarded "Outstanding Student Teacher" at the end of the internship.

English Teaching Assistant (Internship) Sep 2020 – Nov 2020

Greens Kids English School · Zhangye, Gansu, China

- Assisted lead teachers in preparing lessons and instructional materials for young learners.
- Supported classroom delivery and maintained detailed classroom observation records.
- Provided after-school academic follow-up with differentiated tutoring based on each student's level.
- Helped improve classroom organization and student engagement.
